ELECTRODE PRODUCTS

Spectre 360

Electrode Gel

The only salt-free and chloride-free electrically conductive gel, recommended for all electromedical procedures. Salt-free characteristics make it particularly suitable for long-term applications. Spectra 360 differs significantly from all other electrically conductive media it works by wetting the skin, thereby reducing skin resistance.

Features

- Non-gritty STAY-WET formula allows for prolonged use without reapplication
- Product of choice for ECG,
- Non-irritating, hypoallergenic, bacteriostatic
- Salt-free, no sodium ion transfer
- Product of choice for conductive Tens

Product

Package Size

12-02 60 g tube, 12 per box
12-08 250 g tube, 12 per box

SignaGel

Electrode Gel

Highly conductive, multi-purpose electrolyte meets all the standards of the ideal saline electrode gel. Recommended for ECG, defibrillation, biofeedback and EMG.

Features

- Highly conductive
- Hypoallergenic, bacteriostatic
- See-thru tube with stand-up cap lets you know how much SIGNAGEL is left
- Water soluble, non staining, non-gritty

Product

Packaging Size

15-60 60 g tube, 12 per box
15-25 250 g tube, 12 per box

SignaPad

Premoistened Electrode Pads

The ultimate in premoistened ECG electrode pads for single or multi-channel use. Dispensed individually or several-at-a-time from our patented multipad "pop-up" container.

Features

- Highly conductive, non-irritating
- Saves preparation and clean up time
- Easy to use, faster ECG's
- Eliminates residue build-up, electrodes stay clean
- Bacteriostatic

Product

Package Size

16-40 44 x 50 mm pad, 400 pads per dispenser,
16-41 2 dispensers per box,
10 boxes per case

ELECTRODE PRODUCTS

Signacreme

Electrode Cream

Highly conductive cream electrolyte for use in electromedical procedures where a cosmetic quality cream is preferred.

Features

- | | |
|---|--|
| Cosmetic quality, pleasing to patients | - Conveniently packaged in refillable see-thru dispenser with flip-top cap |
| Consistent quality | - Non-irritating, hypoallergenic, bacteriostatic |
| Most conductive electrode cream available | |

PRODUCT

PACKAGE SIZE

| | |
|-------|---|
| 17-05 | 5 oz. dispenser, 12 per box |
| 17-20 | 2 liter (70 oz.) with 2 dispensers and 1 dispenser pump |

SignaSpray

Electrode Solution and Skin Prep

Highly conductive, economical spray electrolyte and non-gritty skin prep.

Features

- | | |
|---|---|
| • The ideal electrolyte for use with muscle stimulation equipment | - No residue build-up |
| • Superior non-gritty skin prep | - Easy to apply, easy to clean up |
| • Bacteriostatic, hypoallergenic, non-staining | - Clear bottle lets you know how much SIGNASPRAY is left |

SignaSpray

Concentrate Electrode Solution and Skin Prep

Economical concentrated **SIGNASPRAY** formulation, intended for dilution prior to use.

Features

- | | |
|-----------------------------|---------------------------|
| Easy to use, just add water | Less weight, less freight |
|-----------------------------|---------------------------|

PRODUCT#

PACKAGE SIZE

| | |
|-------------------|---|
| 18-25 | 250 in] clear dispenser bottle, 12 per box |
| 18-28 | 1 U.S. gallon with dispenser, 4 per case |
| 18-04 | SIGNASPRAYPAC contains: 4 SIGNASPRAY gallons, 2 spray dispensers and 1 dispenser pump |
| 19-28 Concentrate | 1 U.S. gallon container partially filled with SIGNASPRAY CONCENTRATE , 1 spray dispenser |
| 19-04 Concentrate | SIGNASPRAY CONCENTRATE 4 PAC contains: 4 SIGNASPRAY CONCENTRATE gallons, 2 spray dispensers, 1 dispenser pump |

Tensive

Conductive Adhesive Gel

Safe, non-flammable, odorless, conductive adhesive gel. Recommended for **TENS**, **EMG**, **EEG** and other electromedical procedures.

Features

- | | |
|--|--|
| Eliminates tape and tape irritation | - Best adhesive gel available |
| Conductive immediately-no need to wait | - Hypoallergenic, bacteriostatic, non-irritating |
| Non-flammable, no solvent odor | - Water soluble, easily removed with water |

PRODUCT#

PACKAGE SIZE

| | |
|-------|-----------------------|
| 22-60 | 50 g tube, 12 per box |
|-------|-----------------------|
